Attn: To whom it may concern

California Proposition 65

We have conducted a review of the composition of our products and have determined that are products are not subject to the "clear and reasonable" warning provisions of Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986).

There is no risk of harm from the use of our products, and our products are well within the safe harbor levels set by Proposition 65.

Sincerely,

Mark Cunningham

Technical Supervisor
